

English Bowling Associations Charity Trust

TO MEET THE NEED

The Trust is a Registered Charity and was formed in 1980 to help Bowlers past and present and their dependants, who may be in need of financial assistance.

The Trust also assists Bowlers who become disabled in any way to continue to enjoy playing by making grants available for 'bowling aids' including wheelchairs.

The Trust asks Individuals, Indoor and Outdoor Clubs and County Associations to raise funds for the Charity and invites them to become Patrons.

Contributions from Charity matches, President's Days, Donations etc. are gratefully received. The Trustees avoid administration costs and distribute all income direct to Bowlers and their Dependants. Please support your Charity and contact a Trustee if you wish to become a Patron or are aware of any Bowler who is in need.

Chairman

Mrs Jessie Clark
