

**B3107 to
Melksham**

As of the 2020 season Holt bowls club will be using a local parking facility, The Glove Factory, for all matches. This is due to new parking restrictions being placed and to ease congestion.

We ask all members and visitors, to park to the rear of *the Glove Factory* car park.

As parking is limited, we ask all visitors to be mindful and lift share where possible.

The gates will be open on arrival and on leaving the gates will open automatically as you drive up to them.

A pedestrian pathway has been highlighted on the map on how to access the club from the carpark side gate.

All cars and valuables will be left at the **owners own risk**,

Holt Bowls Club nor The Glove Factory will **NOT** be responsible for loss or damage to personal property.
